

1889. The Handstamp Surcharges.Type 3.Att on Sic.Errors and Varieties.Surcharge double.

Several copies of
each of these errors
are known.

Surcharge omitted

Type 3 is only known in conjunction with rare errors, and is therefore believed to be a forgery.

It is on this account that a special type (Type 3) has been provided for it; in appearance it is intermediate between Types 1^c and 4^a.
